

3-Ply Disposable Non-Woven Mask

These 3-ply masks come in various sizes for a comfortable, secure fit for adults and children. Comfortable, soft ear loops and material eliminate pressure and ensures wearer acceptance. Ideal for going to public places, work and schools where social distancing is necessary. These masks help you to breathe easier while protecting others from coughs or sneezes.

- Non-woven
- Adjustable Nose Bridge
- No Latex
- No Fiberglass
- Earloops
- FDA Approved
